

## Tutorials Information

Tutorials take place in the StAR Center (Student Academic Resource Center) in Kuspik #211. You do not need to be assigned by a teacher to come in and get help with your homework.

If you are assigned by your teacher to come to tutorials: you need to attend every day for 1 hour during your grade's assigned time. (Tutorials cannot be made up during Study Hour unless you have permission from Ms. Rosie.) For each unexcused tutorial absence the penalty is 1 day restriction and 0.5 demerit points.

The StAR Center is open  
2:30-8:30 pm  
Sunday-Thursday.
