

Cutting Edge News Syllabus

Overview : AK History is a 1 trimester course that can be taken as a technology credit or an elective credit - your choice. I started and developed this course so that you as a student would have the opportunity to practice the art and science of digital storytelling and journalism while celebrating and advancing the mission of our favorite high school...MEHS...So, let's start telling stories giving the MEHS Family a reason to **Stay Tuned !**

Student Learning Objectives :

- **Recording Footage & saving digital content**
- **Conducting Interviews**
- **Digital Video Editing**
- **Writing Copy**
- **Promoting Content**
- **Collaboration with other CEN & MEHS Students & Staff**

CLASSROOM RULES So that you can learn and I can teach, I have a set of rules to ensure we have an orderly and successful classroom.

1. **BE POLITE AND RESPECTFUL.** Treat each person in this room with dignity and be polite. Respect the classroom; no gum, food, or hats/hoods.
2. **BE READY TO BE CREATIVE, HAVE FUN & WORK TOGETHER.**
3. **Come to class on time. SUPPORT YOUR CLASSMATES & THE CEN MISSION.**

COMMUNICATE ON YOUR STORIES:

We want and need to know How long & How long...how long will your story be and how long until it is done...you may have to estimate...practice, get help, keep going !

Respect Copyrights & Intellectual Property !

- **We do not use copyrighted material without permission & we always credit our sources. This is the legal and ethical standard of this class & our country.**
